The time is finally here!!! The pool is now open. We are all so anxious to get back into that sparkling water. The pool will be open daily from 10am -10pm. You must sign in at the clubhouse with our pool monitor before entering the pool area from the hours of 2pm-10pm. All the old pool cards will no longer work. We have upgraded the system and everyone will need a new card. If you have not already picked up your new pool key card,

please contact the Guardian office at 951-683-6170 and one will be provided. If you are a tenant please obtain written authorization from the owner of your residence. Remember to always follow the posted pool rules and respect the pool monitors, they are there to help.

### CLUBHOUSE RENTAL

Are you having any gatherings this summer? Birthday, book club or otherwise? Why not have it at the Paso De

Lago newly renovated clubhouse. You must reserve the clubhouse at least two weeks in advance. There is a fully refundable cleaning deposit of \$150.00 for any potential damage or mess. Please follow all clubhouse rules and treat the clubhouse like it was your living room. If you would like to inquire about clubhouse reservations please contact the Guardian office and ask for Danny.

The association has made the tough decision to open the parking lot for the summer for a probationary period. This is for vehicles that are coming to the pool or park area. No storage of vehicles is allowed

and all vehicles must have current registration and be in working order or they may be towed at the owners expense. If the parking lot continues to have issues like we have had in the past, the Association

will have no choice but to close it permanently. Please respect this lot and we can all use it when we need it.
